

Game Rules

General

Our game is actively moderated to maintain a safe environment. Failure to follow the rules below will result in punishment.

- 1. Be respectful.**

Ramming, trolling or blocking is not allowed.

You will receive **three** warnings before being jailed.

- 2. No exploiting.**

Do not disrupt the gameplay of others or cheat the game.

Exploiting results in a permanent ban.

- 3. Do not advertise.**

Advertising in any way is prohibited.

- 4. Be appropriate.**

We do not allow the sharing of inappropriate content.

This will result in a temporary ban.

Staff

The rules below apply to ranks Trainee and above.

- 1. Promotions.**

Do not ask for a promotion. This is called hinting.

- 2. Authority.**

Respect the authority of higher ranks.

- 3. Disrespect.**

Do not act disrespectfully towards customers or staff.

- 4. Professionalism.**

Maintain professional behavior and act appropriately.

- 5. Cheating.**

Using autoclickers, hacks, or glitches is not allowed.

Note

- Post a message on the community wall or make a ticket in our Discord to report someone breaking the rules.
- Shift Leaders and above can give official warnings and jail players for breaking the rules.
- Junior Directors and above have additional moderation capabilities.
